

Curriculum Vitae (Lebenslauf) Michael Matthies

Dr. rer. nat, Full Professor for Applied Systems Science,
Faculty of Mathematics and Computer Science
Institute of Environmental Systems Research
University of Osnabrück
D-49069 Osnabrück

phone 0541-969-2576
fax 0541-969-2599
E-Mail matthies@uos.de

Professional experience

1976-1977 University of Gießen, Institute of Biophysics, Research Associate
1978-1992 GSF-Research Centre for Environment and Health, Munich-Neuherberg:
1978-1983 Institute of Radiation Protection, Risk Analysis Group, Research Associate
1983-1987 Environmental Hazard Assessment Group, Research Associate
1987-1992 Environmental Hazard Assessment Group, Head

1992- University of Osnabrück, Department of Mathematics and Computer Science, Full Professor for Applied Systems Science
1994- Director of the Institute of Environmental Systems Research

Main research interests

Environmental systems science, Systems ecology and biogeochemical cycles,
Transport modelling of pollutants in soil and water, Ecotoxicology, Exposure and risk assessment, Sustainable agriculture and aquaculture
